

Answer This, Mrs. Hall

ON Oct. 21, 1922, less than six weeks after the murder of the Rev. Edward Wheeler Hall and Mrs. James Mills, Timothy N. Pfeiffer, counsel for the rich Mrs. Hall, issued this statement:

"After the stupid bungling of the past month we are prepared for anything—even for a formal charge that the murders were planned and executed right within the family circle of the Rev. Mr. Hall.

"Mrs. Hall, however, has never been asked the direct question whether or not she committed the murder or procured the commission."

HOW WOULD YOU HAVE TRUTHFULLY ANSWERED THIS QUESTION MRS. HALL?

Editor's Note—Mr. Pfeiffer issued this statement at a time when it was generally believed Mrs. Hall faced arrest due to documentary proof of a quarrel between her and Mrs. Mills over the affections of Dr. Hall.

This question was printed yesterday and is being reprinted to give Mrs. Hall or her lawyer another chance to answer it. If they don't answer soon this newspaper will answer the question for them publicly.
